

### Exempt Well Registration Applications

---

Registration Fee \$50.00

Exempt wells are those wells utilized for private or livestock use. Curb wells are also included. Supply wells for hydrocarbon production (gas/oil) permitted by the Railroad Commission are exempt from this fee, but must register with the District prior to drilling, report usage and send copy of drillers report to the District within 60 days from completion. The registration fee will be refunded after the District receives the records and report required under Rule 6.
