

Lower Trinity Groundwater Conservation District - Well Permit - Part II		For District Use Only	
<b>PART II-APPLICATION FOR NON-EXEMPT WELL PERMIT</b>			Permit No.
Applies to wells capable of producing more than 25,000 gallons per day (17.36 Gallons Per Minute).		Date Signed:	
A. Owner Name, Address, and Phone no:		Date Application Completed:	
		Hearing Date:	
		Date Approved:	Date Denied:
		Permitted Capacity (gpy or Ac-Ft/Y):	
		Permitted Use:	
		Renewal Date:	
B. Location and Use of Produced Water: Attach a map or plat drawn on a scale that adequately details (and show exact boundaries of property) the location of: <input type="checkbox"/> Existing or proposed well and other improvements on the property <input type="checkbox"/> Existing water use facilities <input type="checkbox"/> Proposed use or increased use of produced water. <input type="checkbox"/> Location of existing sewage system (note distance to well) Land surface elevation, mean sea level (ft): _____ Geologic formation(s) from which water is to be produced: _____			
C. Location of Adjacent Permitted Wells. With assistance from the District, attach a map or plat drawn on a scale of one inch equaling (1,000)ft. that adequately identifies all permitted wells within a 1/4 mile radius of the proposed or existing well.			
D. Actual or anticipated annual amount of water to be used (specify units, gallons per year, acre feet per year):			
E. Actual or anticipated pump size in gallons per minute:			
F. Anticipated date the proposed construction or alteration is to begin:			
G. Other:			
H. <b>Availability of other water resources.</b> Identify, if available, any other presently owned sources of water (i.e., surface, treated) or those which could be owned or otherwise acquired, the availability of which is both technically feasible and economically reasonable for the permittee, that could be reasonably used for the stated purposes, including quality and quantity of such alternate sources:			
I. <b>Water Conservation Plans.</b> Attach information showing what water conservation plan or measures the permittee has adopted, what water conservation goals the permittee has established, and what measures and time frames are necessary to achieve the permittee's established water conservation goals.			
J. <b>Service area description of resold water:</b> If the water is to be resold to others, attach a description of (check of attachments) <input type="checkbox"/> service area population <input type="checkbox"/> metering <input type="checkbox"/> lead and repair program <input type="checkbox"/> Is this a platted development <input type="checkbox"/> yes <input type="checkbox"/> no <input type="checkbox"/> delivery and distribution system including number of connections		<input type="checkbox"/> info on customer's water demands (per capita water use) <input type="checkbox"/> water use data <input type="checkbox"/> wastewater data <input type="checkbox"/> water conservation measures <input type="checkbox"/> water conservation and drought or emergency water management plan identifying trigger conditions and means of implementation and enforcement	
K. <b>Well driller must notify LTGCD 24 hours before the following actions begin</b> <input type="checkbox"/> Start of drilling <input type="checkbox"/> Start of cementing <input type="checkbox"/> Completion of well			
L. <b>After drilling and well completion, provide all the following well information, if available</b> <input type="checkbox"/> State of Texas Well Drillers Report <input type="checkbox"/> Chemical Analysis <input type="checkbox"/> State of Texas Well Plugging Report (if applicable) <input type="checkbox"/> Geophysical Log <input type="checkbox"/> Pump Test Data <input type="checkbox"/> State of Texas Report of Undesirable Water of Constituents <input type="checkbox"/> Hydrologic Analysis (if required) <input type="checkbox"/> (if applicable) <input type="checkbox"/> other (please specify):			
<b>This form, when completed and approved by the District is a Drilling Permit. This permit will remain in effect for (180) days. Extensions will be granted upon request.</b>			

**Permit Application Check List for  
Non-Exempt well (commercial)**

**\*For home owner well (exempt) - fill in parts a, b, c, i, & l in your application data.**

The application for a permit shall be in writing and signed, and shall include the following:

- ( ) a) the name and mailing address of the applicant and the owner of the land on which the well will be located.
- ( ) b) if the applicant is other than the owner of the property, documentation establishing the applicable authority to construct and operate a well for the proposed use.
- ( ) c) the 911 address of the well site or a map showing the well location.
- ( ) d) a location map of all known existing wells within a one-quarter mile radius of the proposed well or the existing well to be modified.
- ( ) e) a map from the county Appraisal District indicating the location of the proposed well or the existing well to be modified, the subject property, and adjacent owner's physical addresses and mailing addresses.
- ( ) f) a statement of the nature and purpose of the proposed use and the amount of water to be used for each purpose.
- ( ) g) a declaration that the applicant will comply with the District's Rules and all groundwater use permits and plans promulgated pursuant to the District's Rules.
- ( ) h) a water conservation plan or a declaration that the applicant will comply with the Management Plan.
- ( ) i) the location of each well and the estimated rate at which water will be withdrawn.
- ( ) j) a water well closure plan or a declaration that the applicant will comply with all District well plugging and capping guidelines.

**Note:** Requests to drill a well with a daily maximum capacity of more than 2 million gallons and requests to drill, modify, increase production or production capacity of a Public Water Supply, Municipal, Commercial, Industrial, Agricultural or Irrigation well with an outside casing diameter greater than 10 inches require additional information as required by District Rules.

( ) k) Permit fees paid to District

( ) **Administratively Complete**

( ) l) Please attach a general map of the well location from a major highway.
