EXCEPTION TO SPACING RULE

Statement by adjacent property owner

I _____ (print name) being the owner of property at _____ (physical address of adjacent property) am in full knowledge of a water well proposed to be drilled at _____ (physical address of well site); and in full knowledge that the site of the proposed well is less than 50 feet from the property line as required by the Lower Trinity Groundwater Conservation District and Chapter 76.1000 of the Water Well Drillers Rules.

I request that the District grant an exception to the spacing rule for the water well at the above site; and that I will not place an absorption septic field or a septic spray system within 100 feet of the water well.
